## Who We Are?

Welcome to Seedone Food Inc., your leading source of high-quality pulses, oilseeds, specialty crops, and bird food in Canada. We specialize in supplying and exporting lentils, peas, chickpeas, brown flaxseed, golden flaxseed, hemp seed, mustard, and canary seed to customers worldwide.

One of our key competencies is our ability to directly source commodities from farmers and processors. We guarantee that all our customers receive superior-quality products that adhere to international standards and regulations.

At Seedone Food Inc., we are dedicated to ensuring your satisfaction throughout every step of the transaction process, from start to finish.

## Why Seedone Food Inc.?

1. **Quality:** We source top-grade agricultural products directly from Canadian farmers.
2. **Global Reach:** Access global markets with our extensive network and expertise.
3. **Customer Focus:** Enjoy personalized service and fast responses tailored to your needs.
4. **Sustainability:** We're committed to eco-friendly practices and responsible agriculture.
5. **Reliability:** Count on us for trustworthy partnerships and consistent delivery.

## Our Mission

To be the premier international Canadian exporter of agricultural products, delivering high-quality, sustainable goods to markets around the globe while fostering mutually beneficial relationships with farmers, suppliers, and customers.

## Our Vision

To lead the agricultural export industry with excellence, innovation, and integrity, becoming the preferred partner for global buyers seeking top-tier Canadian agricultural products. We aspire to promote economic growth, environmental stewardship, and social responsibility through our commitment to excellence in every aspect of our operations.

## We are members of

# Lentils

Experience the wholesome goodness of Seedone's premium lentils—a staple ingredient for nutritious meals around the globe. We proudly export an exceptional range of lentils, including the robust Laird, the succulent Richlea, and the delicate Eston varieties, as well as whole Red lentils.

# Chickpeas

Indulge in the natural richness of Seedone's Canadian-sourced chickpeas, offering both the beloved Kabuli and the robust Desi varieties to cater to diverse culinary needs. Our Kabuli chickpeas, with their large, creamy seeds and smooth texture, are perfect for creating luscious hummus spreads and flavorful salads. Meanwhile, the smaller, darker Desi chickpeas are a powerhouse of nutrients and bold taste, ideal for intensifying the flavors in stews and curries.

# Peas

Canadian peas, bursting with color and flavor, elevate countless dishes. Green peas, fresh or frozen, add vibrancy to salads and pies, while yellow peas provide a mild taste, perfect for soups. Sustainably grown by Canadian farmers, these legumes pack protein, fiber, and essential vitamins, making them a nutritious choice for plant-based diets.

# Flaxseeds

Flaxseeds, prized for their health benefits and culinary flexibility, come in brown and golden varieties, both rich in omega-3s, lignans, and fiber. Whether added to bread, smoothies, or breakfast bowls, these tiny seeds support digestive and heart health. Incorporating them into daily meals adds both nutrition and texture, making them a valuable component of a balanced diet.

## Packaging Solutions

At Seedone Food Inc., we understand the importance of reliable and durable packaging to ensure the safety and freshness of our products. That's why we offer high-quality packaging options crafted from Polypropylene bags.

Our PP woven bags are designed to withstand the rigors of transportation and storage, providing excellent protection against moisture, pests, and other environmental factors. These bags are not only sturdy and resilient but also lightweight, making them cost-effective and convenient for handling.

With our packaging solutions, you can trust that your products will arrive at their destination in optimal condition, ready to delight your customers with their freshness and quality. Choose Seedone Food Inc. for packaging that delivers peace of mind and preserves the integrity of your goods every step of the way.

*Proudly Canadian*
